

TENNESSEE URBAN FORESTRY COUNCIL

Promoting healthy and sustainable urban and community forests in Tennessee

TUFC Email Newsletter Advertising Contract

Our email e-newsletter, “**Branching Out**,” is sent to more than 1700 TUFC members and others interested in learning more about urban forestry. Our e-newsletter is sent through MailChimp as a shortened version of the website newsletter (on the 15th of the month) and is found here: <https://www.tufc.com/news/>. The MailChimp e-newsletter directs our viewers to the website version that has more information about each subject highlighted in the email. The website newsletter remains on the website throughout the month and is only replaced with the next newsletter. Past month newsletters are archived in the links at the bottom of the page. Direct links to your webpage will be on the e-newsletter and the website newsletter.

Advertising Period:

One month - \$250

Two months - \$400

Each additional month is \$200/month.

Starting Month: _____
